LET'S GET PREPARED!

Online Spanish classes

Dear Students!

We want you to come to Spain well prepared and we’re not going to let Covid spoil it! We will offer you several days of Online Spanish classes which will make your stay in Spain a lot more enjoyable. All the material and exercises, which Ainoa uses will be at your entire disposal.

Ainoa, our experienced Spanish teacher, will also ensure you come away with a deep understanding of Spain’s culture and people. The classes will include group conversation classes, many interactive exercises – and a lot of fun!

You can choose the moment of the classes: Either before you come to Spain, or immediately after arrival, or whenever you feel you need a language refresher.

Who is Ainoa?

Ainoa was born in Barcelona. She is an enthusiastic, dedicated, dynamic and joyful person.

She studied at the Deutsche Schule Barcelona for 9 years, graduated in Hispanic Philology in 2019 and has a University Master's Degree in Teacher Training for Compulsory Secondary Education, Upper Secondary Education, Vocational Training and Languages.

Ainoa will be able to teach you a lot of Spanish in just a few days and we are sure that like this you will have a smoother beginning of the programme.
